

# FR Y-12 Instructions

## Purpose of Report

The information collected on the FR Y-12 allows the Federal Reserve to monitor the growth of domestic bank holding company (BHC) investments in nonfinancial companies and their contributions to capital, profitability, risk, and volatility. The FR Y-12 provides more timely information than can be obtained through annual reviews of this business line and serves to identify institutions that are significantly changing their risk profiles in this business line or devoting significant resources to this line of business.

## GENERAL INSTRUCTIONS

### Scope of the Information

For a domestic BHC meeting the reporting criteria described below, the information reported should cover all U.S. offices, International Banking Facilities (IBFs), foreign branches, branches in Puerto Rico and U.S. territories and possessions, and majority-owned bank and nonbank domestic and foreign subsidiaries, including Edge and agreement subsidiaries, domestic nonbanking subsidiaries, and small business investment companies (SBICs). The information should be reported by the BHC on a fully consolidated basis reflecting all companies in which the BHC directly or indirectly owns or controls *more than 50 percent* of the outstanding voting stock, and which is *consolidated* under generally accepted accounting principles (GAAP) in the parent holding company's financial statements for the purposes of financial and public reporting. The report should include all nonfinancial equity investments, regardless of where they are reflected on the balance sheet, but exclude equity securities held in a trading account. In a multi-tiered organization with one or more BHCs, only the top-tier BHC should complete the FR Y-12, which would be prepared on a consolidated basis. However, if a lower-tier BHC is functioning as the consolidated top-tier reporter for other financial reports (for example, when the top-tier is a non-U.S. BHC, ESOP, or limited

partnership), this lower-tier BHC should file the FR Y-12 on a consolidated basis.

## Who Must Report

The FR Y-12 reporting form must be filed by each top-tier domestic BHC that files an FR Y-9C and:

- Has aggregate nonfinancial equity investments (as defined below) that equal or exceed the lesser of \$200 million (on an acquisition cost basis) or 5 percent of the BHC's consolidated Tier 1 capital as of the report date; **and**
- Has made an effective election to become a financial holding company (FHC), **or**
- Directly or indirectly, has an Edge corporation, agreement corporation, or SBIC subsidiary **or** holds equities under section 4(c)(6) or 4(c)(7) of the BHC Act.

The FR Y-12 reporting form also must be filed by each top-tier domestic BHC that files an FR Y-9SP and:

- Has aggregate nonfinancial equity investments (as defined below) that equal or exceed 5 percent of the BHC's total capital (as reported in item 16.f of the balance sheet on the FR Y-9SP) as of the report date; **and**
- Has made an effective election to become a financial holding company (FHC), **or**
- Directly or indirectly, has an Edge corporation, agreement corporation, or SBIC subsidiary **or** holds equities under section 4(c)(6) or 4(c)(7) of the BHC Act.

A domestic BHC is a BHC that is incorporated in one of the 50 States of the United States, the District of Columbia, Puerto Rico, or any U.S. territory or possession.

## What is a Nonfinancial Equity Investment?

This report collects information on nonfinancial equity investments held by a BHC on a consolidated basis. For the purposes of this report, a

## FR Y-12 Instructions

nonfinancial equity investment means an equity investment made by the BHC or any of its subsidiaries (see the Scope of the Information to be Reported section above):

- pursuant to the merchant banking authority of section 4(k)(4)(H) of the BHC Act (12 U.S.C. 1843 (k)(4)(H)) and subpart J of the Board's Regulation Y,
- under section 4(c)(6) or 4(c)(7) of the BHC Act (12 U.S.C. 1843(c)(6) and (c)(7)) in a nonfinancial company (as defined in the glossary) or in a company that makes investments in nonfinancial companies,
- investments made through a SBIC that is consolidated with the BHC or subsidiary, or in an SBIC that is not consolidated, under section 302(b) of the Small Business Investment Act of 1958,
- in a nonfinancial company under the portfolio investment provisions of the Board's Regulation K (12 CFR 211.5(b)(1)(iii)), or
- in a nonfinancial company under section 24 of the Federal Deposit Insurance Act (12 U.S.C. 1831a).

This report does not collect information on equity investments that a BHC or any of its subsidiaries may make under other legal authorities. For example, this report does not collect information on nonfinancial investments made by an insurance company subsidiary of a financial holding company under section 4(k)(4)(I) of the BHC Act (12 U.S.C. 1843(k)(4)(I)). Also, this report does not collect information on DPC investments.

### Filing of Reports

The report is to be prepared quarterly for BHCs that file the FR Y-9C, as of the end of March, June, September, and December, and semi-annually for those BHCs that file the FR Y-9SP, as of the end of June and December. The report must be submitted within 45 calendar days of the reporting date. Reporting BHCs should submit an original and one copy of the report to the appropriate Federal Reserve Bank. Each report submitted should be signed and certified by an executive officer of the

BHC. "Executive Officer" is defined in 12 CFR 215.2(d).

### Alternative Report Forms

In lieu of using the printed FR Y-12 report form, the respondent may report the required data on computer print-outs that are in the identical format and size as the printed form, including line items and columns in the order in which they appear on the printed form. The form must be signed by an executive officer of the reporting institution.

### Reporting in Dollars

All dollar amounts should be converted to U.S. dollars using the spot exchange rate on the report date, regardless of the currencies in which the transactions reported are denominated. The translations should be made on the same basis as used by the reporter to prepare its FR Y-9C and FR Y-9SP. If the BHC has no activity to report, enter a zero where appropriate.

### Rounding

Round all dollar amounts reported on this form to the nearest million dollars.

### Confidentiality

The completed version of this report generally is available to the public upon request on an individual basis. However, a reporting BHC may request confidential treatment for certain portions of the FR Y-12 if the BHC is of the opinion that disclosure of specific commercial or financial information in the report would likely result in substantial harm to its competitive position, or that disclosure of the submitted information would result in an unwarranted invasion of personal privacy.

A request for confidential treatment must be submitted in writing concurrently with the submission of the report. The request must discuss *in writing* the justification for which confidentiality is requested and must demonstrate the specific

## FR Y-12 Instructions

nature of the harm that would result from public release of the information. Merely stating that competitive harm would result or that information is personal is not sufficient.

The Federal Reserve System may subsequently release information for which confidential treatment is requested, if the Board of Governors determines that the disclosure of such information is in the public interest.

### Instructions for Specific Columns for Schedule A, Type of Investments

#### Column A: Acquisition Cost

#### Column B: Net Unrealized Holding Gains Not Recognized as Income
